PCN #:P-19-017913

Subject:TE UPM RA Power Connector Printing Content Change

Description of Change: TE UPM RA Power Connector Printing Content Change, to add the part number in product printing content, which will be better to distinguish the connector part with similar structure in actual application. The old printing content is only date code, and the new printing content will be part number and data code. Detail please refer to the attachment with comparison view before and after change.

Reason: Customer Request.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
