PCN #:P-19-017876

Subject:Backshell for 2P DT connector

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is adding new capacity tooling for 2P DT backshell for the part number(s) listed below. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing(s) are not affected.

Reason: Product improvement. Dear Customer, we hereby inform you of this change. The new tooling is necessary to fulfill the increased orders. The added tooling does not impact connector performance. **IMPORTANT:** **IMPORTANT:** There s no fit, form and function changes. Parts can be used interchangeably in the field. Shipments of parts of new and old tool.
