

06-Feb-2020

**PCN #:**E-20-000727

**Subject:**MTA-100 Connector Assembly, 28 AWG

**Description of Change:** Global standardization of housing colorant - this change will not impact product performance.

**Reason:** Manufacturing / Process Requirements. Housing color may differ from previously purchased connector assemblies, but this change is visual only. There will be no impact to product performance.

**Key Dates:**

**Contact By Date:**01-Mar-2020

**Implementation Date:**01-Mar-2020

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
