TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

TSC series

Description of Changes

change the coil tape from transparent tape to red tape, and the material of the red tape is the same as the original transparent tape;

before change

after change

Reason for Changes:

Manufacturing / Process Requirements. TE is constantly innovating and optimizing to provide more reliable products to customers. Due for the unstable supply, the transparent tape is replaced by red tape, and the performance of the products will not be affected.
