PCN #:E-21-002609

Subject:DEUTSCH DT components Production Manufacturing Location Change

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is transferring the production tools of components of the part numbers listed below from TE Tullahoma, TN, USA to a TE externally approved supplier in Ontario, CA, USA. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right in the future to move the tool(s) back to a TE ICT manufacturing location and/or a TE externally approved supplier, as needed. In case of subsequent transfer of these production tool(s) a PCN will be sent out. A Level IV PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or e-PPAP system. Submissions will not occur without request. If PPAP is requested, disposition response is required within 14 days of submit date or it will be considered approved.

Reason: Dear Customer, we hereby inform you of this change. This change is necessary to better meet our Customer's demand needs. **IMPORTANT:** The change will not impact fit, form or function.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
