TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

The following plug assembly parts location change

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from TE China Suzhou LPZ 1162 to TE China Suzhou K2 3027.

Other attachments:

[ECR-2021-04-225\(L\)-E](#)

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. Upon PPAP request, A PPAP Level 2 will be available if you need. Also you could apply your request on the e-PPAP system. Thank you for your support and understanding!
