PCN #:PCN-21-105944

Subject:DEUTSCH DT 8 and 12 Position Plug and Receptacle C and D Key
Temporary Color Change

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is making a temporary (six months maximum) change to the color of the part numbers listed below. Instead of green or brown, the parts will be gray. For connectors without an end cap, a colored dot will be added to the connector to designate it as a C key (green dot) or a D key (brown dot). For connectors with an end cap, the end cap color will designate the key, green for C key and brown for D key. A corresponding colored dot will be added to the label on the box and a corresponding colored sheet of paper with a note will be added inside the box. With global demand in excess of supply on PA66, the material supplier is restricting TE's buying allotment on certain colors. These PNs are TE proprietary designs, therefore considered catalog/general market product. Product drawing(s) are not affected.

Reason: Dear Customer, we hereby inform you of this change. The allotted amount of material is at a level where production is impacted and to close the gap, gray material will be used to replace green and brown material. The change does not impact performance. **IMPORTANT:** The current and previous revisions of these parts can be used interchangeably in the field. The changes are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.

Alert document created by IHS Markit based on content provided by TE Connectivity.
