TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Terminal and splices products

Description of Changes
Manufacturing location change. Following Part Numbers will be transferred from TE Lickdale to TE Collegno.

Reason for Changes:
Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about transfer of tools for below mentioned PNs. Tools will be transferred from TE Lickdale plant to TE Collegno plant. The new manufacturing location is under a certified quality management system according the standard industry requirements. This transfer is implemented to improve supply chain, reduce backlog and delivery of involved parts: we plan to have production in TE Collegno starting from May 16th, 2022. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
