TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Commercial MNL and Micro MNL terminals

Description of Changes

Following Part Numbers will be produced in another plant besides the current plant TE Connectivity in Lickdale. Part numbers described below will be also produced in our TE Connectivity plant of Qingdao.

Reason for Changes:

Dear Customer, we hereby inform you about a new option of manufacturing and supplying. A new tool will be avaialble and will follow a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. We reinforce that these part numbers will keep being produced and supplied by our current plant too!
