

31-May-2022

PCN #: P-22-022825

Subject : CPC Plug Assemblies

Description of Change : TE eliminated the marking of the part number, date code, Mexico and AMP from the Coupling Ring of these CPC Plug Assemblies from approximately September 8, 2021 through June 30, 2022. The markings will resume on these parts beginning July 1, 2022.

Reason : Document clarification. TE was unable to reliably apply the laser marking during this time. These markings are considered a form change.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.

Alert document created by IHS Markit based on content provided by TE Connectivity.
