Description of Changes

Dear Customer, as TE continuously strive for improving our supply chain and service, we hereby inform you about Capacity and Manufacturing Expansion in China along with TE Lickdale Plant (US) to improve capacity and lead time. This expansion follows a strict procedure, which guarantees quality, ability to supply, and form-fit-function of the concerned products. The added manufacturing location operates a certified quality management system according to the standard industry requirements. TE internal release, based on our specifications, is executed before delivery to guarantee our products performance.
