TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description: (Text limited to 120 characters)
DEUTSCH 2, 3, 4 and 6 position Product Drawing. Add New Part Numbers

Description of Changes
The Industrial and Commercial Transportation business unit of TE Connectivity is making a change to the product drawing(s) listed below to add new part number(s) being released with new color versions of green, brown, and blue. See below. PPAP and/or sample are available upon request. Send request to ict-ppap-request@te.com or ePPAP system. This does not affect the current parts. This is for notification only.

Reason for Changes:
Dear Customer, we hereby inform you of this drawing change. The change is necessary to update the current documentation. The change does not impact performance of existing part number(s) and the new part number(s) meet same product performance. **IMPORTANT:** The currently released parts are not changing as this is for new variants.
