General Description of Changes
Dear Valued Customers, you are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below in the last few years. Listed PNs are currently enabled to be produced in one of our China manufacturing locations. However, in order to improve the resilience of the supply chain and improve upon production optimization efforts, listed parts will now also be approved for production from an equivalent production line in China. This production line in China is fully established and are equipped with state of the art manufacturing capabilities. The new manufacturing location is under a certified quality management system according to industry requirements and this manufacturing change in no way changes any of the specifications listed on the TE product datasheet. For any further information please get in touch with your TE representative.
