

18-May-2011

PCN #:E-11-010018

Subject:AMPLATCH UNIVERSAL I/O CONNECTORS

Description of Change: Future shipments may be plated with gold flash over palladium-nickel to the equivalent thickness of standard gold parts.

Reason: New specification. No change to performance specification. Gold flash over palladium-nickel plating is functionally equivalent to standard gold plating. Test data available upon request.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
