

19-Mar-2012

PCN #:P-12-007832

Subject:Generation Y 0.64mm Sealed and Unsealed Terminals

Description of Change: Change to NYE lube across all Generation Y part numbers. Adding note to customer drawings that will read "TERMINAL HAS NYE LUBRICANTS NYETACT 561J-50-AG PERFORMANCE LUBE/GREASE APPLIED. THIS IS A WHITISH COLORED LUBE. AMOUNT AND VISIBILITY MAY VARY." All production is transitioning to have NYE lube through a running change. Current inventory will be used up, so both variations may be in customer circulation for a period of time. There is no change to the part numbers. This change does NOT affect the product Form, Fit or Function. QDBLOCK not required.

Reason: Product improvement.Change to NYE lube across the entire Generation Y terminal line to consolidate to a single commercially available high performance lubricant.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
