

10-May-2012

PCN #:E-12-008058

Subject:MTA-100 High Temp Header, 2 thru 7 position only

Description of Change: TE is adding slope to base of the housing from the outside retention wall in towards the posts.

Reason: Product improvement. Make it easier for the parts to be ejected from the mold in order to increase throughput and help increase customer service levels.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
