

30-Nov-2012

PCN #:E-12-019020

Subject:OJ LM andDM Riveting Contacts Modified to Welding Contacts

Description of Change: TE has started a program called Smart Design on Silver Use. Thus the current riveting contacts design of the OJ LM and OJ DM series are to be modified to a new design that the contacts are welded on the movable spring and the stationary terminal. Electrical characteristics, datasheet specifications and approval values remain unchanged. To ensure traceability, the modified product can be identified with the date code 1318 and later.

Reason: Part status change.

Impact of Change:form - fit - function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
