

05-Feb-2013

PCN #:P-13-008846

Subject:Advise US customers of alternate P/N (2238024-1) to 41802

Description of Change: PCN-12-021850 was issued on 1/8/2013 to notify customers of our intent to consolidate the manufacturing of P/N 41802 to the Asia/Pacific region. As a result, the part will have a slightly different geometry than what had been produced in the US(A/P is producing to an earlier print revision). If this change is not an issue, then disregard this notice. However, if maintaining the current geometry is critical or preferred, then P/N 2238024-1 is being offered as an alternate and remains locally produced in the US.

Reason: New specification.

Impact of Change:form - fit - function

Key Dates:

Contact By Date:04-Mar-2013

Implementation Date:04-Mar-2013

Product Affected

41802

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
