

13-Nov-2013

**PCN #:**E-13-016375

**Subject:**CPC Connector Square Flange Receptacles

**Description of Change:** Replace molded in AMP logo with molded in TE logo. Logo to be located on any flange edge. Add laser marking option in addition to existing ink stamping as a method for marking of part number, date code and country of assembly on the housings. Marking may be applied to any flange edge.

**Reason:** Product Improvement. Corporate branding strategy encourages the use of the TE logo. Laser marking option may be used in the future if the marking process is automated.

**Impact of Change:**form - fit - function

**Key Dates:**

**Contact By Date:**31-Jan-2014

**Implementation Date:**31-Jan-2014

**Product Affected**

211908-1

211102-1

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
