We would like to inform you about the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

### GENERAL PRODUCT DESCRIPTION:

Mold Relocation Change

### DESCRIPTION OF CHANGE:

TE is informing you about a MANUFACTURING LOCATION CHANGE of our current TE approved supplier. This move is being conducted in an effort to mitigate a capacity constraint. Please contact your TE Sales or Customer Service Rep if you have additional questions. A PPAP will be requested on your behalf by the TE Transition Manager for customers who have purchased product impacted by the change in the past 24 months & who have current open orders. PPAP will include: PSW, Material Cert, affected dimensional data from customer drawing & IMDS.

### REASON FOR CHANGE:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you of a transfer of tools. The transfer is executed by following a strict procedure which assures no negative influence on quality, ability to supply and form-fit-function of the products. The new location is under a certified quality management system according to standard automotive requirements. An internal release based on our specs will be executed before any parts will be delivered.
