

24-Nov-2009

PCN #:E-09-025355

Subject:Product Change of Miniature Spring Sockets, Series 4

Description of Change:The plating notes on Tyco Miniature Spring Sockets, Series 4, on Tyco Customer drawings are being changed to call out the performance characteristics per Product Specification 108-14008, instead of calling out the specific plating requirements. This change is specific to gold plated spring part numbers within the Mini-Spring socket product line.

Reason:Document clarification.

Impact of Change:Form-Fit-Function

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

Tyco Electronic's corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the Tyco Electronics Product Information Center at 800-522-6752 or your Tyco Electronics Sales Representative.
