Sample applied for IEC Cable with BBG/Y insulation:

Item	Before	After (skin color insulation)
Insulation for Blue wire	Blue single insulation color	Natural color insulation w/ blue outer skin
Insulation for Brown wire	Brown single insulation color	Natural color insulation w/ brown outer skin
Earth wire Y/G	Yellow with Green striped insulation	Yellow with Green striped insulation
Outer jacket	Single insulation	Single insulation

Sample applied for UL Cable with BWG insulation:

Item	Before	After (skin color insulation)
Insulation for Black wire	Black single insulation color	Natural color insulation w/ Black outer skin
Insulation for White wire	White single insulation color	Natural color insulation w/ white outer skin
Earth wire Green	Green single insulation color	Natural color insulation w/ Green outer skin
Outer jacket	Single insulation	Single insulation

Notice of the Proposed Relocation of Shenzhen Baohing Electric Wire & Cable Manufacture Co.,Ltd

Dear Business Partners:

Sincerely thank you for your trust and support, without your continued support, we won't be able to sustain and grow. For better business development, we plan to move to the new factories in Dongguan and Guangzhou from June 30, 2024.

We promise to deliver the products normally during the relocation, sorry for the inconvenience this may cause. We assure you of our best service at all times.

Notice is hereby given.

Shenzhen Baohing Electric Wire & Cable Manufacture Co.,Ltd
