

Accuris has added the following environmental document to the active parts as mentioned in the document from Weidmueller Gmbh & Co Kg as of 16-January-2017.

Thank You.

Regulation (EC) No. 1907/2006 (REACH)

Ladies and Gentlemen,

Detmold, 16.01.2017

Page 1 of 2

According to the Regulation 1907/2006 “REACH” and in particular the obligations resulting from Article 33 we herewith declare based on our supplier statements that substances of very high concern (SVHC) published by the European Chemical Agency [ECHA] are present in some of our products above their respective thresholds. Further information of substitution and a current list of involved products are given under below link.

All Weidmüller suppliers are informed about the REACH requirements and hence arising legal duties. If new SVHC are promulgated by the ECHA, or new materials or products are included in our portfolio declaration duties resulting from Article 33 can potentially apply. As soon as our suppliers report the presents of any SVHC in purchased goods and if the total amount of one SVHC exceeds the threshold of 0.1 % w/w in our products we will publishing these information on a day-to-day basin on our designated webpage to enable our customers the fastest data exchange.

This information and our technical advice – whether verbal, in writing or by way of trials – are given in good faith and to this best of our knowledge but without liability and warranty, unless the liability or warranty is admitted by law. This also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and applications. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.

From REACH Article 33 is none obligation arising which requires to inform about the absence of any SVHC as required in a growing number of inquiries.

Weidmüller is focused on the compliance of legal requirements resulting from REACH. The providing of data for all individual customer specific needs in this particular field will yield in an unnecessary data exchange which cannot be handled cost-effective for all effected supply chain members!

We kindly ask for your understanding that we will answer questionnaires etc. with this letter and the information provided by the Weidmüller REACH info centre.
