## OMNIMATE Signal BLZF 3.50 change of flange contour

### Initial Situation

As part of our ongoing product maintenance and improvement, we are going to change the flange contour of the BLZF 3.50. The outer dimension and the technical data will not be affected.

### Change

### Availability

To ensure a smooth change over, the conversion will be done step by step without changing any part numbers.

Thus, during the conversion period it may lead to a mixed delivery of orders, but never mixed in one packaging unit.
