

Technical change to RS RJ45

Dear Madam or Sir,

The above listed articles will be supplied in a modified revision. Please pass this product information on to your employees and, if needed, to your customers. All modifications are performed for reasons of product improvements.

1. Initial situation

RS RJ45 had no UL approvals.

2. Technical change

Based on continuous improvement the module has been released according to UL recognized requirements. Furthermore, to fulfil with UL approvals, we change the product label to include the UL logo, file number and UL ratings: 50V / 1A

3. Reason for change

Addition of the  logo and the UL file number on the product label to fulfil UL requirements

4. Availability

Current products in stock have compatibility indicator 0. Since today new productions will be with new modifications detailed above. As time goes on, products with compatibility codes 0 will decrease until end of stock following a FIFO process.

5. Affected parts

RS RJ45 8611320000

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.
