Page 1 of 1

Dear Ladies and Gentlemen,

We hereby confirm that our materials used in our manufacturing process used for Terminals, PCB Connectors and HDC are in compliance with the European Directive 2002/95/EG on the restriction of the use of certain hazardous substances in electric and electronic equipment (**RoHS**), including all amendments to the EU-directive (including the restrictions of Deca BDE).

Best regards

Florian Schmitz
Sustainable Material Management
Weidmüller Interface GmbH & Co. KG

This Information and our technical advice – whether verbal, in writing or by way of trials – are given in good faith and to this best of our knowledge but without liability and warranty, unless the liability or warranty is admitted by law. This also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and applications. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.
